### TASMANIAN TOUR . . . a few things

1. The final payment was due last week . . . congrats to all those who are on top of this. If you have not done so when reading this, can you please fix this asap 😊
2. Pocket money was also due last week. Miss Cochrane is always keen to organise this well in advance of our departure. Remember, \$10 increments please.
3. Tour paperwork - HECs, Acceptable Use and Parent Permission – were due in tonight. Our nurse, Karen Aberdour, will be in next Friday, 7 September, (during the day) to check all HECs forms.
4. Qantas Frequent Flyer membership - if your son (not you) has a QFF number, please let me know via email [jan.eldred@nationalboyschoir.com.au](mailto:jan.eldred@nationalboyschoir.com.au) and we can have the Tasmania flights credited to his membership.

### FUNDRAISING

August has been a busy month. So many things to remember!

#### Chocolate Drive – money and returns were due in tonight!

We are delighted with the response to our third term fundraiser. *(I'm sure there are businesses out there who have thrived on 'sugar' courtesy of NBCA 😊😊)* Of course, we also understand there are people who don't have access to big, corporate 'sales areas' - we appreciate everyone's efforts to support our fundraising. Thank you.

It's now time to return all money (and any unsold chocolates) so that this can be wrapped up before the end of term.

Remember . . . each box contains **60 items - \$1 for each item.**

### Entertainment Books

Another activity to be wrapped up - we still have a few of these great value books available from the office \$70 or digital versions available online at [www.entertainmentbook.com.au/](http://www.entertainmentbook.com.au/)  
The few we have will be returned by Friday 14 September.

*continued over . . .*
