### CORONAVIRUS

The NBCA has set in place some extra precautions relating to the outbreak of Covid-19. These are intended as additional measures only, and apply to tonight's rehearsal. The details were sent out in an email on Tuesday, 17 March.

**There is still no-one connected with the Choir who has contracted the corona virus, or been in contact with any infected persons. We are confident that you and your sons have been safe to continue coming to Choir.** If that situation changes, we will inform you immediately.

In the light of Government announcements today however, we have decided to cancel rehearsal next Wednesday, 25 March. The next scheduled rehearsal for Junior Choristers will be Wednesday 15 April. We will confirm by email, prior to that date, whether that rehearsal will proceed.

### HOMEWORK

Thank you to everyone who is staying on top of practice with tracks and beginning work on memorising repertoire. Please ensure your son keeps learning and working on each song during practice each week.

#### **Practice tips:**

- Always start with your breathing exercises and vocal warmups
- Set yourself a goal to work towards for each song when you practise (for example, following music, memorising words, feeling the beat, intonation/pitch)
- Write down your goal to share at our next rehearsal
- Drink plenty of water to keep yourself hydrated

Please start memorising music as listed on the below repertoire list which shows what music is to be practised at home.

Wednesday 18 March 2020

### Repertoire List:

- Ah Poor Bird – Memorised
- Dona Nobis Pacem – Memorised
- The Swing – Memorised
- The Water is Wide
- Placement one in C
- Ribbons in the sky

Memorisation is a key component for performance at Choir. In order to memorise music correctly it is important to practise at home. Please use the tracks so your son learns the correct melodies, breathing and words for each song. Practising for 15 to 30 minutes daily can greatly improve your son's music and singing abilities. We can't express enough how important it is for the boys to spend time each week at home revising the skills they are learning at Choir.

### Practice Tracks:
