- Doors will open five minutes before rehearsal commences
- On arrival, boys will be asked to sanitise their hands
- Boys will move straight to their places in the studio, keeping a 1.5 metre distance away from each other, following the tape markings on the floor
- Boys are reminded to wash their hands thoroughly after using the toilet, and to cough or sneeze into a tissue, handkerchief or their elbow

HOMEWORK

Please make sure you are practising each week and starting to memorise music. Over the coming weeks, we will be checking words and working on performance skills for our repertoire. We recommend 15 to 30 minutes' practice at least every second day to revise music notes, lyrics and material covered from our weekly rehearsals.

Practice tracks are now available for selected repertoire to assist the boys with their practice. The full repertoire list is below, which includes three new tracks this week. Please download these tracks and utilise them along with the vocal warmup videos (starting with A). Focus on the breathing and vowel tracks this week.

EPIPENS/ASTHMA INHALERS/SPACERS

If your son has anaphylaxis or asthma (or both), please ensure their satchel contains an epipen and/or asthma inhaler and spacer while at Choir.

The NBCA office holds one of each as a precaution, but it is **essential** for choristers to bring their own. Thank you for your care and attention.

FUNDRAISING – Fun Run/Walk, Sunday 21 March

11:00 am-1:00 pm

😊 We hope you have this very important date in your diary. 😊

We ask that supporters sponsor boys per kilometre of the 4km course.

This is not a race – walking the dog is encouraged if you don't want to run. Friends and family are all invited to join us for a nominal registration fee of \$5 – children 5 and under are free. We will also be on the look-out for some volunteers to assist on the day.

All participants will be rewarded with a sausage in bread as they finish the course. 😊

A sponsorship form and further details will be emailed to you within the week.
